

Urgent Help for Afghanistan Earthquake Victims

A devastating earthquake has struck Kunar Province, Afghanistan, killing over 5,000 people and injuring more than 12,000 men, women, and children. Entire districts such as Noorgal and Aryet have been completely destroyed—families are left homeless, hungry, and without medical care.

The Afghan Pashai Community USA (501(c)(3) nonprofit) is raising \$100,000 to provide:

- Emergency food supplies
- Medical support & medicines
- Warm blankets & clothing
- Shelter for displaced families

Every dollar you give can save lives and bring hope to those who have lost everything.

Please donate and share this campaign with others. Together, we can help families survive this tragedy.

Sincerely,
